I confirm that this piece was created within the last 2 years from the date of the show it is being entered in. I also confirm it is my own original work & not a derivative of another's work nor a piece that has been worked on by anyone other than myself. It is not a result of a collaboration. I confirm it has not been in an LSAG convention show, has not received a 'best of' or a first place ribbon at another league level show, & has not received 2 place ribbons in total. I understand nudes, violence, & profanity in full or in part art are not allowed & may not be entered in this database. I have read & agree to the LSAG prospectus on the LSAG website & will respect all rules & requirements. I understand only place ribbons, best of awards, & FIRST Honorable Mentions (1 per division & category) are qualifiers.
